COUNTY SUNDAY SCHOOL CONFERENCE DRAWS LARGE CROWD

DELEGATES "TALK SHOP"

Feature of Program Was Two Stirring Addresses by Sterling Williams, State Field Worker

The largest number of delegates that has ever attended the annual county conference of the Nodaway County Sunday School Association met at the Christian church yesterday afternoon and last night and discussed the work in progress and made plans for its further development together with plans for the county convention this fall. At luncheon yesterday evening 147 persons were served and at the evening session several hundred visitors and delegates were present.

An interesting feature of the conference was the visit and addresses by Sterling Williams, field worker for the state association. At the evening session Mr. Williams, in a stirring and practical address on the subject, "Is the Young Man Safe?" made some pertinent inquiries of fathers, the home, the church and the community regarding the safety of their young men. Mr. Williams declared that right influences in the home was the foundation on which to build ideals for the young man. "The boys will always follow where the fathers lead," said he, "and you'll never get your boys to take the safe way unless you take the safe way yourself."

Mr. Williams declared the lack of proper sex instruction in the home was responsible for the failure of many young men to take the safe way and urged that parents instruct their children in this matter while they were young. Mr. Williams spoke in the afternoon on the subject, "What Is the Price, Mister?"

Conferences were held as follows: Teen Age, Miss Fannie Hope, presiding; elementary, Mrs. R. M. Barry, presiding; adult, E. M. Claypool, presiding; township officers, G. B. Roseberry, presiding.

Class Play and Other Things to Precede the Graduating Exercises to be Held Friday, May 24

The calendar for commencement week in Hopkins is as follows:

Sunday evening, May 19, baccalaureate sermon by Rev. Mr. Watts at the Methodist church.

Wednesday evening, May 22, the class play, "The Call to the Colors," at the picture show building.

Thursday evening, May 23, eighth grade commencement exercises at the Presbyterian church.

Friday evening, May 24, graduating exercises at the Christian church. Rev. Gilbert S. Cox of Maryville will deliver the address.—Hopkins Journal.

HAVE ARRIVED IN FRANCE.

Maryville Boys Who Left With 4th Regiment Band Write Relatives.

Friends and relatives of Wilfred White, Carl Tarpley, John LaVelle, Jim McMahon and Robert Garten, all members of the 139th Infantry, are now receiving cards telling of their safe arrival in France.

Until recently these young men were stationed at Fort Sill, Okla. They left Maryville with the Fourth Regiment Band, which is now stationed at Battle Creek, Mich., on August 5, 1917. For about two weeks previous to their sailing they were stationed at Camp Mills, New York.

RED CROSS BENEFIT.

SKIP 2 DRAFT CALLS HERE

Enlistments in Special Service Equal Nodaway County's May 20 and May 25 Quotas

The fact that Nodaway county has not been called upon to furnish men for the draft quotas for May 20 or May 25 contingents leaves a larger supply of Class 1 registrants to meet succeeding demands. The reserve will extend over a longer period of time, depending on the size of quotas asked for after the last call.

It has not been necessary for the county to supply men in these two drafts because of credit given the county draft board for men supplied under the voluntary induction system. Quotas in that way have been furnished previous to draft calls, and the numbers offset those which otherwise would be sent as regular contingents. In the system known as the "Nation's Want Column," men either have been inducted voluntarily or, in the event enough were not obtained that way, have been chosen from Class 1 under compulsory measures. Credit given for those who have entered special service thus prolongs the call of some Class 1 men.

No Missouri Men May 20.

In the May 20 call no men were asked from the entire state of Missouri.

GRAHAM TOWNSHIP IN BIG PATRIOTIC EVENT SUNDAY

UNFURL A SERVICE FLAG

In token of Regard for Thirty-eight Men In Service — Big Parade, Music and Public Speaking

One of the largest crowds Graham has ever entertained is expected Sunday afternoon when the unfurling of Hughes township service flag will take place at 2 o'clock in the school yard where a flagstaff has been erected.

The Maitland band will give a concert and Judge John M. Dawson of Maryville will speak. A number of patriotic and sacred songs have been selected for the crowd to sing in concert. A patriotic parade will take place at 3 o'clock. All the members of the Red Cross auxiliaries, dressed in uniform, will march in a body, followed by mothers, whose sons are now in service, each carrying a service flag. The old soldiers of Hughes township will also march, while any of the other citizens are requested to join in the parade.

This beautiful flag, which the Hughes township women have so diligently worked upon, has thirty-eight stars, one for each of the following names:

Lieut. Otto L. Mowry.
Floyd Miller.
Albert Zapf.
Sam Hayworth.
Otis Brown.
Frank Elliott.
Lawrence Olds.
Francis Popham.
Rex Dicken.
Ernest Hasty.
Walter Bohannon.

Clifford Dicken.
Floyd Kiser.
Dick Kiser.

Three of the thirty-eight boys are now in France. They are Lieut. Otto L. Mowry, Omri Smith and Rex Dicken.

J. T. Smith of Clearmont was taken today to a hospital in St. Joseph, where he will undergo an operation for appendicitis.

GIVEN WAR CROSS

MAJ. SANFORD, R. F. A. TO SPEAK HERE NEXT TUESDAY.

A HERO OF THE BIG WAR

Commander of Royal Field Artillery, He Was Twice Mentioned by Haig —Get Ready for Red Cross Drive

Major L. Gordon Sanford of the Royal Field Artillery will speak at the Christian church in Maryville next Tuesday night in the interest of the Red Cross. Such word was received this morning by Joseph Jackson, Jr., district chairman for the Red Cross drive. Judge John M. Dawson will also speak at this meeting.

Major Sanford joined King Edward's Horse as a trooper at the beginning of the war and was afterwards transferred to the artillery. He went to France in May, 1915, and served until wounded for the second time in November, 1917. He took part in most of the battles during that period and for the last six months commanded the 48th Battery of Royal Field Artillery. He was twice mentioned in dispatches by Sir Douglas Haig and received the military cross from King George late in the year 1917. Major Sanford has recently arrived in this country.

The county committee will arrange for speakers at any meetings where it is desired to have addresses made. A meeting announced to be held at Graham next Sunday afternoon will be addressed by Judge John M. Dawson. A meeting is also announced at Elmo next Thursday night, and the committee will assign a speaker today on request of the Elmo committee.

Thus far three townships have announced names of workers who will aid in making the drive for Nodaway's quota of the 100 millions war fund; others are expected to be ready to announce the names of workers before Saturday. It is desired that as much publicity as possible be given to the plans for the campaign and who the workers in each township will be so that the public may be advised in time to anticipate their coming and be ready with subscriptions.

The campaign will last one week, beginning next Monday morning, and Nodaway expects to go over the top with more than double its quota as its share of the $100,000,000.

TO SALUTE EVERY SOLDIER

Suggestion of St. Louis Woman Meets Approval of Governor Gardner

Jefferson City, May 16.—Governor Gardner has received a letter from Mrs. Alice Grigg Opel of St. Louis, suggesting that the citizens of Missouri salute every soldier when they pass him on the streets as an evidence of good will and a wish for his safe return from France.

Governor Gardner thinks this is a most appropriate courtesy to extend to the soldier boys and would be glad to see Mrs. Opel's suggestion followed by the people of Missouri.

DARING ACT OF 4 ITALIANS

Com. Pellegerin and Three Picked Men Penetrate Austrian Naval Base and Torpedo a Battleship

Special to The Democrat-Forum.

Rome, May 16.—Commander Pellegerin of the Italian navy accompanied by three picked men successfully pentrated the defenses of the Austrian naval base at Pola and torpedoed an Austrian battleship Wednesday. The daring enterprise was made known today. The Italians in airplanes supported the action of Commander Pellegerin. The dispatches made no mention of the kind of craft the Italians used in their enterprise.

Rome, May 16.—An Italian warship pentrated the Austrian port of Pola Wednesday and torpedoed a battleship. The attack was accompanied by an air raid in which two Austrian planes were shot down and others were forced to land. The Italians returned to their base without having suffered any losses.

GET TRASH READY TOMORROW

Teamsters In the Clean-up Campaign Will Start On Their Rounds Early In the Morning

Get your trash and rubbish ready for the teamsters when they start on their rounds tomorrow morning. Just one day will be devoted to collection.

With the clean-up campaign having been under way all this week Maryville expects to be as nearly clean as it i spossible to make it tomorrow night. If you have not cleaned up the back yard of rubbish and the stable lot of refuse, the cellar of ashes and trash from various other sources, don't delay doing it this evening so that the teamsters may collect it tomorrow. The cost per wagon load has been placed at a minimum and after tomorrow it is unlikely that the same price will prevail for hauling trash away.

The teamsters will be accompanied by Boy Scouts who will collect the money while the trash is being loaded. Fifty cents is the price for a wagon load, ten cents for a sack, box or barrel full.

On Saturday the Scouts will make a house to house canvass and will list and report all premises where trash remains. The report will be turned over to the mayor and occupants of the premises will be asked to remove it.

REPORT DISLOYALTY ACTS

Newspapers to Keep the Public Informed of Location of Federal Officials — Information Sought

The Department of Justice authorizes the following:

The attorney general has issued a circular to district attorneys in the United States aimed to further facilitate the collection by this department of information regarding disloyalty cases and utterances.

Under it the United States attorneys are instructed to cooperate with the newspapers in their districts so that public notice can be given from time to time of the location of the nearest offices of the district attorney or the bureau of investigation, to which persons who have information which they think may be of value to the government conveniently can go.

The district attorneys are instructed to make it clear that complaints of even the most informal or confidential nature are always welcomed, and that citizens should feel free to bring their information or suspicions to the attention of the nearest representative of the department of justice, or, if that is not convenient, communicate with the department at Washington.

"Bab's Diary" In Picture Form.

That "he who runs may read," Mary Roberts Rinehart's well known "Sub-Deb" stories have been adapted for the screen by Paramount, and no other than Marguerite Clark herself as star. The humorous charm and lovableness of the youthful heroine have been portrayed by Marguerite Clark with exquisite taste and it has been decided to continue the series with other "Sub-Deb" stories in which Miss Clark will also star. The film will be shown at the Empire tonight.

WAS CHILDREN'S DAY

HUNDREDS SEE MAY FESTIVAL AT WASHINGTON SCHOOL

IN DANCES AND GAMES

The May Queen and Her Attendants Join Spectators In Applause— An Unusual Exhibition

A thousand spectators and visitors at the Washington school this morning witnessed the prettiest event by far of the closing school exercises—the May Festival, in which several hundred children from "The Land of Everywhere" gave folk dances, played games, swirled about a May Pole and danced flag dances, while the May Queen and her attendants viewed the spectacle from a raised platform in front of the building.

It was almost like a three-ring circus affair, with something going on continuously in three different divisions of the play ground. The children, in white and red costume, marched and danced and went through the various exercises in a manner that kept step to the march music would have made the Home Guards and Boy Scouts envious.

Children from all the schools participated in the program under the direction of Miss Nell Hudson, whose work in planning the May Festival and also in drilling the children showed both originality and attention to detail. Following the exercises a silver offering was taken and a nice sum was realized, which will be used to help defray expenses.

P. O. Landon of the Landon Music Co., very kindly donated the use of a piano, which was greatly appreciated by those having the affair in charge.

The following order of events was observed:

Processional—Queen of May, Elaine Wright; Heralds; Gift Children.

Children of the Sun—Sunbeams—Garfield school.

Children of the Air—Chickadees—Garfield school.

Children of the Woods—Hansel and Gretel—Fourth grade.

Children of the Mountains—Norwegian Mountain March—Sixth and Seventh grades.

Children of the Meadows—Butterflies—Sixth and Seventh grades.

Children of the Field—Reaping the Flax—Sixth and Seventh grades.

Children of the Sea—Sailors' Hornpipe—Eighth grade.

Children of the Earth—Games—All grades.

May Pole—Seventh, Eighth and High School.

Flag Dance—Seventh, Eighth and High School.

WILL RUN IN THIRD DISTRICT

Judge Divelbiss of Ray County Files as Congressional Candidate

Jefferson City, May 16. — Judge Frank P. Divelbiss, circuit judge of the Ray county circuit, has filed his declaration as a Democratir candidate for congress in the Third district. This district has been represented during the last six terms in congress by Joshua W. Alexander of Gallatin. The latter has a clear record on supporting President Wilson's war measures.

Granville Hogan, Republican, of St. Louis, has filed his declaration as a candidate for circuit judge of that city.

HOP HANGS OUT FLAG AS LONG GOES TO WAR

Springfield, Ill., May 16.—Hop Long, proprietor of a Celestial laundry here, wants the world to know "a man from this place is serving in the army." That's why he hung an eight by eight foot service flag in front of his purveying establishments. The lone star in the center represents Long Wing, the first and only Chinaman to go in the draft from Springfield. Wing, despite a few pounds underweight, was declared a perfect specimen of manhood by physical examiners.

Visiting in Maitland and Skidmore.

Mrs. Laura Hickman left today for Maitland, where she will visit her sister, Mrs. Lizzie Colwell, and to attend the graduation exercises of the Maitland high school. Two of Mrs. Hickman's nieces, Misses Mary and Glennell Colwell, are members of the graduating class. Before returning to her home in Maryville, Mrs. Hickman will also visit in Skidmore with her sister-in-law, Mrs. Gertrude Hickman.

91 TODAY'S CASUALTY LIST

Another Long List of Names Includes Fourteen Missing In Action— Eight Killed In Action

Special to The Democrat-Forum.

Washington, May 16.—Another long casualty list was announced by the war department today, carrying a total of ninety-one names. Eight were killed in action, four died of wounds, four died of disease, one of accident, one from other causes, four were severely wounded, fifty-five were slightly wounded and fourteen are reported missing in action.

TO PURCHASE BUILDING SITE

Masons Name Committees to Secure Funds to Purchase Lot

At a meeting last night of members of the finance committee of the Masons who have in hand the erection of a Masonic building on the lot adjoining the Price & McNeal store, subcommittees were named to canvass the membership of the order for the purpose of securing necessary funds with which to complete payment for the building site. With some three hundred members of the local lodges it is believed no trouble will be experienced in securing the needed amount.

PLANS A WAR CHEST

HOPKINS TWP. WOULD RAISE A FUND FOR ALL PURPOSES

PAY PLEDGES MONTHLY

Mayor C. E. Donlin of Hopkins Says That $6,000 Is Required, Liberty Loan Subscriptions Excepted

Hopkins township is planning to raise a war chest fund to get money all at one time to meet Red Cross, Y. M. C. A. and other war needs for a year. C. E. Donlin of the Bank of Hopkins, in an article in this week's Journal, states that all of these needs require $6,000 for that township outside of Liberty Loan campaigns.

The plan is to raise the money by pledges, without having it all to pay at one time. For instance, a $12 pledge could be paid $1 a month, or a $24 pledge $2 a month. In the pledge it is stated that either bank at Hopkins is authorized to charge to the account of the subscriber the amount, payable monthly, quarterly, semi-annually, beginning May 20.

Hopkins is the first township to take this plan up. There has been talk in Maryville of adopting this course of raising money for these needs so as it will not be necessary for the business men in charge of these campaigns to give up so much of their time every month or so.

GERMANS TO DRAFT BOYS 16

Draft Will Begin In October—Russian Prisoners of War In Austria Reported to be Starving

Special to The Democrat-Forum.

Amsterdam, May 16.—Soup made from nettles is the only food many Russian prisoners of war in Austria receive and large numbers are starving to death, according to information received here today. Germany will begin the draft of boys of sixteen into the army in October, according to the telegram. It is believed the Allies' airplanes are again bombarding Zeebruggee, as the firing came from high angle guns.

HOLDS PUBLIC FUNERAL ON GERMAN TEXT BOOKS

New Philadelphia, O., May 16.—A public funeral service was held over the German text books that had been condemned by the school officials here. The books were placed in an improvised coffin and carted to the public square in a hearse. After the books had been "cremated" the funeral oration was pronounced by Judge Michael V. Ream.

NEW TROOPS RUSHING TO BELGIUM TO TAKE PART IN FRESH ATTACK

GERMAN FLEET GETS READE TO MAKE DASH

Mons Is Beinb Evacuated of Wounded Going to the Rear to Make Room for Fresh Bunches of Wounded That Are Expected

Special to The Democrat-Forum.

London, May 16.—Belgium is seething with preparations for reopening the German offensive in France, said an Amsterdam dispatch today. Troops continue to arrive in Belgium from Russia to take part in fresh attacks. With expected developments on both the Picardy and Flanders fronts aviators with only months of training are being rushed off towards the front. The German wounded that have been occupying Mons and other towns nearby are being evacuated to the rear to make room for fresh batches of wounded that are expected to follow the coming smash. It is believed that French and British prisoners are forced to work close to the firing line unloading ammunition from trains.

London, May 16.—The entire German fleet is reported to be concentrating at Kiel for a dash. The foregoing cablegram is confirmatory of the telegram received earlier in the week that the German fleet expected to become active when the offensive on land was resumed. Th ellumanian army is being demobilized, according to a dispatch from Jassy.

Heavy gun firing which raged for several hours last night along the Franco-Belgian coast could be heard along the Kentish coast. The concussions were violent and the roar was accompanied by vivid flashes.

London, May 16. — The German trench sectors at Gavrelle were raided by the British last night and some prisoners were captured. Heavy artillery duels continue on both the Picardy and Flanders fronts.

Paris, May 16.—Artillery activity on the Picardy front in the district around Hailles and Castel is reported by the French war office. The Germans attempted to raid the French line near Montdidier last night but were driven off.

Change of Address.
In requesting the change of address of your paper, be sure to give old address as well as the new.

Why not make your next vacation a profitable and patriotic one?

Get back to nature; store up health and food against next winter.

How?

By helping some farmer produce more food.

Hard work? Sure, but not half as bad as being in the trenches.

Come back to your job in the city, brown, hard and fit, feeling that life is worth living and that you have helped feed a hungry world.

Ask at the Commercial Club rooms. Tell them you want to help produce more food.

Are You a Food Dependent?

Does somebody else have to produce everything you eat?

Money produces no food—merely buys what others grow.

If you're not a real war worker—get out on the farms and help produce real food.

Food to win the war!

Didja ever notice how sensitive shallow-minded people are?

Judge Hepburn In the Running.

The Hopkins Journal this week had the following about Judge Hepburn:

The announcement that Judge Geo. Hepburn of this district would not be a candidate to succeed himself was premature. While George would not think of making an active campaign for the nomination, taking the position that if his serviles have not been satisfactory he does not wish to retain the official robe, but this does not mean that he would refuse the nomination if it is tendered him, and it will be, for he has made one of the very best judges ever serving the people of this great county, looking after the public's interest in a business-like and impartial manner, and it is practically the unanimous wish of the voters of the north district that he be returned for another term. He will have no opposition in his party for the nomination, and if he isn't elected the fellow who beats him will certainly have to "go some," for George is very popular, and deservedly so.

Graham Christian Church Notes.

There will be preaching in the morning at Maitland and in the evening at Palestine next Lord's Day.

The Mothers' Day program at Palestine last Sunday was in charge of Miss Martha Ellsworth. The committee on decoration did their work well. Noble Norris is our bible school superintendent. Carnations were provided for the mothers present. At night the Endeavorers at Graham had charge of the program, consisting of readings and music.

Hughes township service flag will be unveiled at Graham, Sunday, May 19. The program will be in the afternoon; down town if the weather is suitable. The Maitland band will furnish the music. The flag will have about forty stars.

Elder Harlan was called to Osceola, Wednesday of this week to preach the funeral of Elmer E. Barnard, who married Mr. Harlan's cousin. He plans to return for the Sunday services.

The members of Lodge 189, I. O. O. F. Graham, are the proud possessors of a new stereopticon in their work.

Missouri is the first chicken state in the Union, producing more than sixty million dollars worth of poultry and eggs in 1917.

NEED THOUSANDS OF WOMEN

They Are Urged to Offer Their Services to the Government In Time of Need—Good Pay Assured

Washington, May 16. — More and more, as the war program progresses, is the government depending upon women to perform the tremendously increased volume vork in the civil branches. The force of civilian employees in Washington, D. C., increased from 30,000 to approximately 70,000 during the first year of our participation in the war. Of this increase of 40,000 more than 25,000 are women. Women make up the increase in government offices and establishments outside of Washington in less proportion, for the reason that the greatest expansion in the field has been in the large manufacturing plants of the war and navy departments, where thousands of mechanics and laborers are employed in shipbuilding and in manufacturing ordnance and other war material. Women are not available for employment in trades positions to any great extent, but their services are being utilized in every way that is practicable.

The United States civil service commission is calling for women for government work of not less than sixty different kinds. The list includes stenographers, typists, bookkeepers, other clerks of a score or more of classifications which require training in some special or technical line, statisticians, operators of various kinds of calculating, addressing and duplicating machines, proof readers, law clerks, welfare executive secretaries, draftsmen of a dozen kinds, telegraph and telephone operators, trained nurses, chemists, physicists, library assistants, inspectors of undergarments, finger-print classifiers and many others.

The commission urges women to offer their services to the government at this time of great need. As men are called to the colors, women must take their places and keep the machinery behind the armed forces moving at the maximum of efficiency. Representatives of the civil service commission at the postoffices in all important cities are prepared to furinsh definite information and application blanks.

Pays Employees to Exercise.

For the past six months the office employees of a large manufacturing concern have been paid to exercise an hour a day, says the June Popular Mechanics Magazine. The company feels that the best possible physical condition of its men is so desirable that it has fitted up a gymnasium for them and placed an experienced physical instructor in charge. Executives, superintendents, managers and others are all urged to spend one hour of the company's time each day in the gymnasium.

When Itching Stops

There is one safe, dependable treatment that relieves itching torture and skin irritation almost instantly and that cleanses and soothes the skin.

Ask any druggist for a 35c or $1 bottle of zemo and apply it as directed. Soon you will find that irritations, pimples, blackheads, eczema, blotches, ringworm and similar skin troubles will disappear.

A little zemo, the penetrating, satisfying liquid, is all that is needed, for it banishes most skin eruptions and makes the skin soft, smooth and healthy.

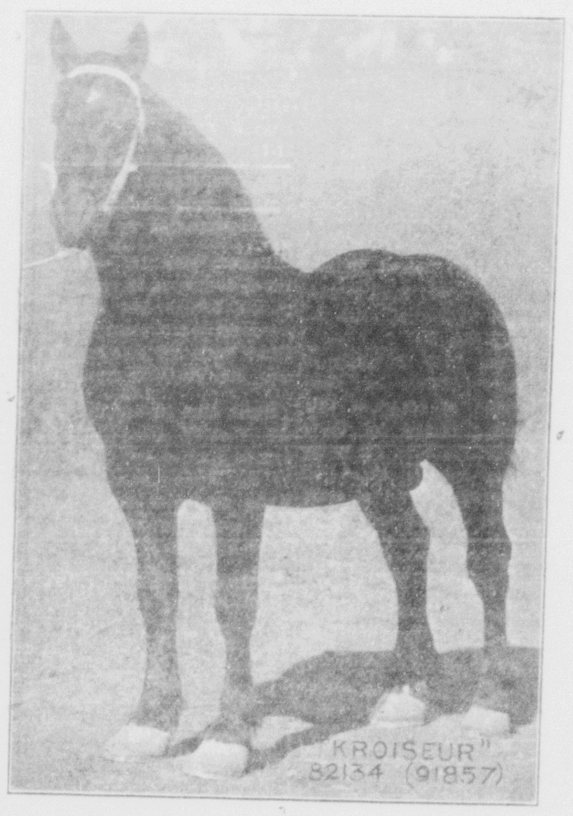
Pure Bred License No. 685



IMP. KROISEUR NO. 82134 (91857)
From Photograph

KROISEUR is perhaps the best bred son of the $40,000.00 champion CARNOT. He not only has the most fashionable breeding, but is a real draft horse himself, weighing over 2200, with wonderful style and action. A beautiful black, having a fine coat of hair. That he is destined to be a great sire there is now no question.

He is now in regular service at our barn in South Maryville, Mo. We have other licensed horses and Shetland ponies also in service.

As so many inquiries are still being received for dates to PHENIX, I would say, he is in service of the State University Farm, under contract for a short time, hence is only available THERE at present; but will be "at home" later.

Thanking you all for your appreciation of him, I am,

Very respectfully yours,

Both Phones.

Mrs. Rebecca Williams Parish.

Mrs. Rebecca Williams Parish was born in Hardin county, Kentucky, on December 14, 1836, age 82 years, 4 months and 22 days. When a child she moved with her parents to Knox county, Missouri, where she was married to Thomas Milton Parish, October 7, 1855, moving with him to Marion county, Iowa.

To this union was born ten children, all surviving her except one, which died in infancy.

Mrs. Parish moved with her husband to Nodaway county, Missouri, September 24, 1899, settling on a farm a few miles south of Maryville, where she lived until a few months before her death, which occurred at her home on Market street, Maryville, Mo. She passed quietly away May 6, 1918, to be forever with her Lord and loved ones. Having professed faith in Christ at the age of 14 she lived a consistent Christian life, uniting with the Baptist church, her membership being with the White Cloud Baptist church at the time of her death.

Her husband having preceded her on April 26, 1902, she leaves nine children, five sons and four daughters, two sisters and one brother.

The sons are W. C. Parish of Barnard; H. J. Parish of St. Joseph; F. O. Parish of Almena, Kans.; M. L. Parish of Kansas City and T. A. Parish south of Maryville. The daughters are Mrs. Mary Crandall of Terry, Mont.; Mrs. Sadie Jones of Warrensburg, Mo.; Mrs. Luela Jones of Maryville and Mrs. Angie Briggs south of Maryville.

Her funeral was conducted by Rev. T. H. Wiles at the First Baptist church of Maryville, May 8. Text, Rom. 8:37. Mrs. Parish was a lover of the old songs and at her funeral a quartette sang "Rock of Ages," "Lead Kindly Light," "The Little Wicket Gate" and "Nearer My God to Thee."

She was laid to rest by the side of her husband in the White Cloud cemetery beneath a beautiful bed of flowers.

"O, may our feet pursue the way
Our pious mothers led,
With love and holy zeal obey
The counsels of the dead.
Let us be weaned from all below,
Let hope our grief expel,
While death invites our souls to go
Where our best kindred dwell."

When You Buy
A PIANO

you have a right to exspect it to last a lifetime. Our stock of pianos represent years of investigation and selection on the part of Mr. Landon, who has had every opportunity to become a competent judge of pianos.

We have a few of the celebrated GULBRANSEN players in various styles at the old prices. If you are thinking of buying a player-piano you should investigate this player before buying. It is easy to play, made to last and give service and its price is reasonable. We accept your old piano or organ as part payment on players. At present we have no used upright pianos in stock and will make attractive exchange offers on used upright pianos.

MARYVILLE DISTRICT FARM NEWS NOTES

Binder Twine for the Harvest of 1918.

It was hoped that retail dealers would see their way clear to handle binding twine on a margin of 1½ cents per pound this season, but further investigation indicates that such a margin is too small in view of the risk assumed.

The food administration therefore revises the recommendations to the above effect and advises that a differential or margin of two cents per pound cash, or its equivalent, and 2½ cents on time, with freight added from the factory, above the manufacturer's price of 23 cents per pound, will not be considered unreasonable by it.

The arguments advanced, which have influenced the food administration to modify its former tentative recommendations, are as follows:

First. The twine will have to be ordered unusually early on account of slow freight movement, caused by the unusual demands on the railways.

Second. Early shipments and the necessarily high price of twine will increase the financial responsibility of the retail dealer.

Third. It is desirable to facilitate a free distribution of twine and to warrant the dealers in carrying a stock adequate to provide for the increased acreage which has been, and is now being planted to wheat and other small grains for the harvest of 1918.

Fourth. The increased cost of doing business during the war shows that pre-war margins need modification to this extent.

Farmers are earnestly urged to place their orders for probable requirements for binder twine as soon as possible so that local dealers can provide by early shipment for an adequate supply of twine to meet the harvest requirements.

Shipping conditions are such that more time must be allowed from factory to local distributing points to avoid danger of shortage in supply.

Rooster Week.

In order to reduce the five million dollar annual loss on bad eggs in Missouri the week of June 3 to 8 will be designated as "rooster week." The food administration, the University extension service and the Mountain Grove experiment station will cooperat in promoting this campaign for the removal of all roosters from the laying flocks. Many of the produce dealers of the state have promised to assist by offering a premium on roosters at that time. Every poultry keeper will be expected to do his share by either killing, selling or confining all roosters.

At least one million eggs spoil in Missouri on every hot day, due to chick development, and this can be entirely prevented by selling only infertile eggs, which will be produced when no roosters are allowed with the laying hens. Fertile eggs spoil very easily in hot weather, due to chick growth, while infertile eggs will reach cold storage in good condition with ordinary care. At any temperature above 68 degrees fertile eggs start incubation and in a few days, at temperatures above this point, they are rendered unfit for food.

The roosters are of no benefit in the flock except when eggs are being produced for hatching. The presence of the male does not increase egg production. The cost of feeding a rooster this year will be approximately twenty cents a month. The loss from bad eggs caused by roosters, during hot weather, amount to about twenty dollars on the average farm. This loss is born in the lower price received for eggs. If the rooster is valuable enough to keep, pen him up. If not, kill or sell him.

"Can the rooster."

DRAG, BROTHER, DRAG

More Than 90% of Public Roads In Missouri Can Be Improved by the Proper Use of Road Drag

Ninety-two per cent of all the public roads in Missouri are dirt roads. When properly graded thees roads can best be maintained by using road drags. Here are some simple rules for the proper dragging of earth roads:

1. Drag at the Right Time. The right time to drag a road is as soon as possible after every rain, when the soil is mellow and pulverizes readily. Do not drag when the soil sticks to the drag or do not wait until the soil is too dry before you drag.

2. Drag Early In the Spring as soon as the frost is out of the ground. Dragging a muddy stretch of road will aid in drying it out, since the wind and sun will have freer access to the thin layer of saturated soil which the drag spreads out over the surface of the road.

3. Drag Before It Freezes. A road dragged before it freezes in the fall will freeze smooth and usually remain in the same condition for some time. The general condition of the road in the spring after winter dragging will be remarkably good.

4. Drag a Gravel Road When Wet. A gravel road should be dragged, as a rule, soon after a rain when the soil is wet, but not too saturated. It will be found that the gravel can be worked better when in a wet condition.

5. Drag Between Shoulders. When a road is badly cut up over the entire surface two complete round trips should be made with the drag. The first trip should be made along the edge of the shoulder. The second trip should be made inside and slightly overlapping the first. This will take up any excess material left by the first round and will aid in building up the crown.

6. Ride the Drag. Under ordinary conditions the driver should ride his drag. He will soon be able to adjust his position so as to produce the desired effect. By standing on the forward edge the drag may be made to cut deeper and vice versa. A long hitch causes a downward pull and thus increases the depth of the cut while a short hitch tends to lift up on the front blade and decrease the depth of the cut.

7. Carry Pick and Shovel. The driver should always carry a pick and shovel on his drag. He will find these very useful in opening water courses, filling mud holes and chuch holes, repairing washed places and digging up rocks.

8. Drag Often. Do not try to build a road with the drag. Its use is to maintain the surface of the road which is already constructed in a smooth condition. The best results are obtained by repeated dragging.

9. Use of a Light Drag. One mistake made in building a drag is to use timbers in the construction of the blades which have too wide a face. A drag in this fashion will pass over the irregularities in the road instead of smoothing them out.

10. Successful Road Dragging Requires Experience. Dragging a road is a business that is best learned in the school of practical experience. Every man engaged in dragging must become an enthusiastic and observant student of the road to be dragged if he desires to produce results.

Chautauqua News Items.

Through a fortunate circumstance the chautauqua management has just been enabled to secure the services of Harlow McConnaughey to tell the story of his wonderful experiences in Russia through the stirring scenes of the Bolshevik uprising and revolution.

John R. Mott had sent McConnaughey to Russia to work among the soldiers in the Russian prison camps. His previous years in Russia studying immigration problems had peculiarly fitted him to the position and he spent two years in that service.

He made the acquaintance of Kerensky and also both Lenine and Trotsky. He was in Petrograd when the Bolshevik revolution broke out and was an eye witness to many of its horrors. Later he experienced much of the same things in Moscow.

McConnaughey is said to recite a story of wonderful interest, giving out much that is new and strange in connection with the great upheaval.

Fred Dale Wood last week interviewed the secretary of war, the secretary of the treasury and other department heads in Washington, gathering the necessary material for his chautauqua lecture on "Financing the War."

Reports are coming in that "It Pays to Advertise" is setting the boys wild with delight at the various contestments where the players are appearing.

Mother's Friend in Every Home

Comfort and Safety Assured Before the Arrival of the Stork.

In thousands of American homes there is a bottle of the splendid and time-honored remedy, Mother's Friend, that has aided many a woman through the trying ordeal, saved her from suffering and pain, kept her in health of mind and body in advance of baby's coming, and had a most wonderful influence in developing a healthy, lovely disposition in the child.

Mother's Friend relieves the pain and discomfort caused by the strain on the ligaments, makes pliable those fibers and muscles which nature is expanding, and soothes the inflammation of breast glands and other soreness. The tendency to nervousness and to morning sickness or nausea is counteracted.

By regular use during the period the muscles expand with ease when baby is born, tension is reduced and the pain and danger at the crisis is naturally less.

Mother's Friend is an external remedy, is absolutely safe and wonderfully effective. It not only allays distress in advance but assures a speedy recovery for the mother.

This splendid preparation may be had at every drug store, and is one of the greatest blessings ever discovered for expectant mothers. Write to the Bradfield Regulator Co., Lamar Bldg., Atlanta, Ga., for their "Motherhood Book," so valuable to expectant mothers, and in the meantime do not fail to get a bottle of Mother's Friend at the drug store and thus fortify yourself against pain and discomfort.

WOMEN PUT TO TEST

EVERY RED CROSS NURSE IN FRANCE SAVES 500 MEN

NEED 2,500 VOLUNTEERS

Southwest Is Called On to Furnish This Number for Heroic Service Behind the Battle Lines

(By Orin R. Colle).

St. Louis, May 16.—That the great world war in which America is engaged is a woman's war is being proved every day by American women themselves; it is being proved by the brave and tender-hearted nurses of the American Red Cross, the women who are going across the seas to minister to the boys in khaki who fall in that most terrifying of hells ,the dread territory known as No Man's Land.

The nursing department of the American Red Cross was the only department of this great organization that was organized for thorough service when war was declared. Since the beginning of the war the department had supplied a full nursing personnel to each of the hospitals in every cantonment, has placed in service in France 100 nurses with each base hospital unit; has mobilized since January 1, 1918, an additional 2,000 nurses for European service and has placed about 75 public health nurses in sanitary zones surrounding the camps.

When consideration is given the fact that every Red Cross nurse in France and Italy saves 500 soldiers the tremendous responsibility resting upon the department of nursing may be realized. That this figure is correct is attested by commanders of the French, British and American armies in the field, who even now are sending calls to America for more nurses. Two thousand five hundred nurses must be sent from the southwestern division of the American Red Cross by January 1 next; 605 must be sent from this division, comprising the states of Missouri, Kansas, Arkansas, Oklahoma and Texas before June 1.

This most remarkable opportunity for women of the southwest to serve their fellow man was summed up today in an interview with Miss Lyda Arderson, director of nursing service of the southwestern division. Miss Anderson lives Red Cross nursing service. In the war zone when war was declared she visualized conditions as they are and her whole time and effort is given to enlisting another nurse to save a certain 500 men whom she visualizes in the trenches, then another nurse for another 500, and so on to the end of the war. Speaking of the absolute necessity for the enrollment of 605 nurses in the southwestern division before June 1 and 2,500 before January 1, Miss Anderson said:

"The southwestern division has 5,846 registered nurses; of these 1,106 are enrolled in the Red Cross, and of the 1,106, 519 are in service. As the knowledge of the great need for their service reaches the nurses they readily respond. Many are physically disqualified and though they may be well able to remain active in their private practice, cannot pass the rigid physical examination for army service. This eliminates such a large number that it becomes evident that every graduate American nurse who is eligible physically and meets other requirements of the Red Cross must prepare herself now to give active military service within the next few months. We MUST meet this demand of our government and this means that every eligible nurse of our country will be in military service, here or in Europe, by January 1, 1919.

"What finer service could women ask? This, indeed, is a woman's war and we must do our part. The nurses of the Red Cross are helping to make the world safe for humanity just as much as the soldiers in the trenches, and I am sure every loyal American in the southwest will have this in mind when he makes his subscription to the second war fund of the Red Cross the latter part of this month."

BOYS LIKE THE NAVY

MISSOURI'S SONS ANSWERING THEIR COUNTRY'S CALL

GET 600 MEN IN 15 DAYS

Postmasters Are Authorized to Furnish Transportation to All Who Can Pass Preliminary Exam.

Missouri boys are answering the call of their country and the navy with renewed enthusiasm this spring, and more than half of the applicants at the navy recruiting station for a large part of Missouri, with headquarters at St. Louis, are from the farms and smaller cities.

"It is remarkable," said Lieutenant F. M. Willson, commanding officer, "that so many young men from the country, especially in the middle west, should seek service on the sea. It must be the glamour of the adventure the naval service offers."

There is adventure in plenty for the men in the navy. A Missouri lad who enlisted at the St. Louis office about a year ago, passed through the city last week and related his experiences on one of the convoys that was with the Finland at the time she was torpedoed.

"There were twenty-four of us on guard," he said, "keeping a sharp lookout for submarines. The guns were fully manned and ready for action at a second's notice. We are especially alert when traversing the 150 miles on convoy duty. I was stationed up in the crow's nest and was thinking life was pretty dull until someone sighted a periscope.

"There was enough excitement for anybody as soon as the danger signal sounded and the guns began to bark almost immediately.

"Three airplanes were soaring in circles over our heads. Presently, I couldn't say how long in minutes or seconds, our wireless caught the warning signal from one of them and we knew that a torpedo had been fired. All eyes were strained on the water to catch its wake. I can tell you I was excited when I saw it coming straight at us, and I felt relieved when our ship was veered around suddenly and I saw the thing that was heaving the water would miss us.

"The torpedo carried far enough, however, to strike the Finland and tear a big hole in her. Our guns continued in action and made it so hot for the U-boat that she sank and did not try a second attack. The Finland got to port under her own steam and the sailors were hailed as heroes. I'd willingly go through the same experience every trip in order to be fed and made over as we were there. Nothing was too good for us."

The office at St. Louis enrolled more than 600 men from May 1 to May 15. An average of about twenty-five a day came in from the postmasters. Postmasters are authorized to arrange for railroad tickets for applicants who can pass a preliminary examination.

Considering that the smaller cities are competing with the combined populations of East St. Louis, Ill., and St. Louis, the record made is all the more creditable.

Lieutenant Willson received a letter from an eighteen-year-old boy in Scopus, Mo., the other day asking if he could get in the navy in any capacity. The boy stated that he had an artificial foot, but thought he might be a barber or something. "Do your best to find me a place where I can be of service," the letter concluded.

"Such spirit as this," Lieutenant Willson said, indicating the letter, "will make it impossible for America ever to be defeated."

SOMNAMBULIST TAKES A STROLL OF EIGHTEEN MILES

Berwick, Pa., May 16.—Miss Elizabeth De Rau, twenty-five, yawned, rubbed her eyes and then looked with amazement upon a strange world. Her uncovered feet were bruised and sore and in her hands she carried her shoes. Another yawn and the mystery was explained. She had walked from Hazelton, a distance of eighteen miles, in her sleep.

APPRECIATIVE WOMEN.

How often is the question asked: "Are the testimonial letters published in the advertisements of Lydia E. Pinkham's Vegetable Compound genuine and true?" In answer to that question we want to answer most emphatically, yes; and it is gladness for health restored by the use of Lydia E. Pinkham's Vegetable Compound after weeks, months and sometimes years of suffering that has prompted these women to write such letters in order that other women who suffer as they once did may profit by their experience.

U. S. DEP'T OF AGRICULTURE

HOW TO GROW

LATE CABBAGE.

Late cabbage is usually grown as a crop following early potatoes, peas or some other crop that leaves the ground free for about one-half of the growing season. The plants may be grown in the seed bed, it being necessary to sow the seed some three or four weeks before it is desired to set them in position in the garden. It is an excellent plan to follow early potatoes with late cabbage, as none of the insects that affect early potatoes are liable to molest the late cabbage, and it is possible to set the plants between the potato rows some two or three weeks before the potatoes are dug. In this manner sufficient time is gained to permit the cabbage to reach maturity before hard freezing weather occurs in the fall.

The rows should be about 3 feet apart and the plants some 2 feet apart in the rows. Slight freezing does not injure cabbage, but it should not be subjected to repeated freezing and thawing. Late cabbage can be stored by taking up plants and packing them closely together in a trench, placing a frame of boards or poles around the trench, some supports across the top and covering the whole with straw or corn fodder. The heads may be removed as needed and the roots and stems left in position in the trench. These will furnish an abundant supply of greens in early spring.—U. S. Department of Agriculture.

A GOOD FRIEND.

A good friend stands by you when in need. Maryville people tell how Doan's Kidney Pills have stood the test. Mrs. C. McMonigal, of 206 N. Main St., Maryville, endorsed Doan's over four years ago and again confirms the story. Could you ask for more convincing testimony?

"I suffered for years from disordered kidneys and at times the pain in my back was so bad I had to scream,' says Mrs. McMonigal. "I couldn't rest well and had dizzy spells. Since I used Doan's Kidney Pills, I have felt better in every way. I can certainly recommend them." (Statement given October 2, 1912.)

On June 12, 1916, Mrs. McMonigal said, "I never hesitate to say a good word for Doan's Kidney Pills, as they have given me permanent benefit."

Price 60 cents, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. McMonigal had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

For the Boys Over There.

If you have any pieces of bright, gay colored cretonne make them up into bags for the soldiers and send them to Mrs. Frank M. Swacker, 540 Riverside Drive, New York City, who will see that they reach their required destination. Mrs. Swacker is in charge of the Missouri division of this work in New York.

The order is to make the bags of pretty colored cretonne, fasten them together at the top with snappers put tape at the ends to hang them up by, they must have no fullness, being made much as a child's school bag is made. The wounded men have nowhere to put such precious posessions as photographs, letters, pencils, keepsakes of any kind and often they are found piled in a heap on the floor. The bags are so welcome and so helpful. On going to the hospital, each wounded soldier is supplied with one in which to keep these little heart treasures which are worth more to him than folks at home can ever realize. His bag of trinkets is hung on the bed near where he can reach and if he is able, many time during weeks of illness, he can take out the picture of some loved one and who knows but what it may be as great a help to the wounded fellow as a doctor's ministrations. If you wish a little more activity to escape the feeling that you ought to do more for the boys over there, hunt through your scrap basket and go to work making bags.

Miss Hantz Hostess.

Miss Leta Hantz entertained at her home Sunday evening the following guests: Misses Eva Griffey, Hazel Florea, Gladys Lawson, Dorris Griffey, Edith Schoonover, Laura Garrard, Iva McDowell, Roy Florea, Floren Porter, Morrison Lawson, Henry Bosch, Doyle King, Dewey Burch and Byrl Montgomery.

St. Joseph Guest.

Miss Lura Evans of St. Joseph was a dinner guest of Mrs. Henry Trullinger yesterday.

Guests at Dean Home.

Mrs. John Steele and Miss Maurine Aeby of Mound City arrived in Maryville last night to visit Mrs. Steele's daughter, Mrs. L. E. Dean, and to also attend the graduation exercises of the senior class of the High School, of which Miss Helen Dean is a member. Mrs. Frank Welsh, a sister of Mrs. Dean, and her son, Harold Welsh, will arrive today from Shenandoah.

Prayer Circle.

The Wednesday Morning Prayer circle met yesterday morning at the home of Mrs. L. E. Dean. Seven members were present. Mrs. Wiedner acted as leader.

Mr. and Mrs. Wright Entertain.

Mr. and Mrs. U. S. Wright entertained informally a few friends last night at their home on South Main street. After an evening of music and games and a number of solos by Murice White, light refreshments were served by the hostess. Those present were: Mr. and Mrs. J. F. Montgomery and daughter, Ruth, Mr. and Mrs. W. A. Burris and daughters, Helen and Virginia and son, Joe, Mr. and Mrs. G. B. Holmes and daughter, Lucile, Mr. and Mrs. J. J. Heifner and daughter, Mary, Murice White, Prof. R. M. Magee, Prof. L. J. Schultz, Misses Gertude and Marie Wright, Mrs. Edison Blagg, Simeon Wright and the host and hostess.

Line Party to Tent Show.

A line party to the tent show was given last night in honor of Miss Madeline Strawn, who leaves next week for her home in Clarinda, and Miss Dorothy Hann, mathematics teacher at the high school, who leaves Saturday night for her home in Burlington Junction. Following the show the party had refreshments at Reuillard's. Besides the honor guests those present were: Misses Ruth Bookman, LeVeta Epperson, Mona Marie Everist, Gladys Sewell, Cleona Kirch, Beatrice Dowling, Margaret Remus, Audrey Craig, Russell Allan, Richard Kirby, Ermil Coler, Eldon Job, Donald Williams, Perry Eads, Vilas Awalt, Martin Pennisten, Jack Rowlett and Chilton Robinson.

Mrs. Bentley Entertained.

Mr. and Mrs. M. L. Bentley of Ravenwood entertained a party of friends Tuesday night in honor of Miss Leola McDaniels, who is leaving for her home in Onida, Kan. Other guests present were: Miss Elizabeth Flynn, Miss Wavie Ralston, Miss Maude Yeary, Miss Gertrude Conn, Frank Yarnell, Mr. and Mrs. Bryan Thompson. During the evening light refreshments were served by the hostess.

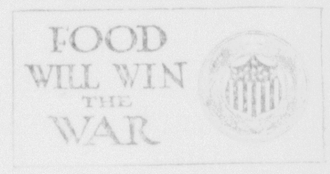
Sunday Dinner Party.

Mr. and Mrs. Silas Mozingo, living five miles southeast of Maryville, entertained with a dinner Sunday. Their guests were Mr. and Mrs. G. E. Zwilling and daughter, Ella, Misses Ethel and Josie Mozingo, Ira Mozingo and W. E. Trueblood. They were joined in the afternoon by Misses Esther, Mabel and Ethel Burch, Alma and Erma Partridge, Frank and Forrest Burch and Cecil Partridge.

Dinner for Camp Funston Boy.

Mr. and Mrs. H. J. Messbarger of Ravenwood entertained at a two course 6 o'clock dinner Wednesday evening in honor of their nephew, James Tobin, of Camp Funston, who is spending a fifteen day furlough in Burlington Junction and Ravenwood with friends and relatives. Covers were laid for: Mr. and Mrs. T. J. Tobin and Irene Tobin of Burlington Junction, James Tobin of Camp Funston, Kan., Gertrude Spire, Lena Foland, Rosetta Klaas, Katherine Vaughn of Maryville, Tom and Mary Cummins and Will Boedecker and the host and hostess.

Will J. Montgomery went to St. Joseph today on business.



SAFE, GENTLE REMEDY
CLEANSES YOUR KIDNEYS

For centuries GOLD MEDAL Haarlem Oil has been a standard household remedy for kidney, liver, bladder and stomach trouble, and all diseases connected with the urinary organs. The kidneys and bladder are the most important organs of the body. They are the filters, the purifiers of your blood. If the poisons which enter your system through the blood and stomach are not entirely thrown out by the kidneys and bladder, you are doomed.

Weariness, sleeplessness, nervousness, despondency, backache, stomach trouble, headache, pain in loins and lower abdomen, gallstones, gravel, difficulty when urinating, cloudy and bloody urine, rheumatism, sciatica and lumbago, all warn you to look after your kidneys and bladder. GOLD MEDAL Haarlem Oil Capsules are what you need.

They are not a "patent medicine," nor a "new discovery." For 200 years they have been a standard household remedy. They are the pure, original imported Haarlem Oil your great-grandmother used, and are perfectly harmless. The healing, soothing oil soaks into the cells and lining of the kidneys and through the bladder, driving out the poisonous germs. New life, fresh strength and health will come as you continue the treatment. When completely restored to your usual vigor, continue taking a capsule or two each day; they will keep you in condition and prevent a return of the disease.

Do not delay a minute. Delays are especially dangerous in kidney and bladder trouble. All druggists sell GOLD MEDAL Haarem Oil Capsules. They will refund the money if not as represented. In three sizes, sealed packages. Ask for the original imported GOLD MEDAL. Accept no substitutes.

FATHER OF TWO SETS OF TWINS IN TWO YEARS; 78

Madison, Wis., May 16.—Col. R. H. Spencer, formerly of this city but now of Algoma, Iowa, is receiving congratulations because of the arrival of a second pair of twin sons at his home. The first twin sons were born to his wife February 16, 1916. Colonel Spencer, who is 78 years old and a Civil War veteran, says that if his sons were old enough they would be fighting the kaiser right now.

Set out plenty of sweet potato plants. We have plenty of extra first class red, white and yellow sweet potato plants ready now. As long as there is plenty of moisture down in the ground and the sweet potato plants are mudded heavy they will grow no matter how dry the top crust of the ground is. Set them out now and get plants from the first pulling of the plants.
